

# NATION-WIDE STRIKE OF PRODUCERS IS URGED

## PLAIN LIVING SQUARE DEALING

Such is Theme of Address Delivered by President-Elect Harding in New Orleans

Common Sense Urged in Dealing With New World Problems.

(By Associated Press)

New Orleans, November 18.—Plain living and square dealing were invoked by President-elect Harding, in a speech here today, as the nation's strong reliance during the coming period of after-war readjustment.

"Sanity, clear thinking, common sense, honesty and co-operation," were among the qualities he named as prime necessities in meeting the demands of the new world order, and he declared material interests and national happiness both would benefit if the United States became "a simple living people once again."

Whatever discouragements and reverses there have been, he declared, would be only temporary in character.

"He predicted a 'confident America' would solve its new problems on the simple basis of the old time virtues and would come through the reconstruction period stronger and more dependable than ever before."

Senator Harding's speech was delivered at a luncheon of the New Orleans Association of Commerce. The address was part of a five-hour visit to New Orleans by the President-elect, who came from his vacation in Texas to take ship here for a voyage to the Panama Canal Zone.

## EGGS THE ONLY FOOD ARTICLE SHOWING BOOST

Staple Food Prices Drop Three Per Cent. and Sugar Leads

Potatoes Show Decrease Of Fourteen Per Cent.

(By Associated Press)  
Washington, November 18.—A decrease of three percent in retail food prices—in October throughout the United States was noted in statistics on the cost of 22 articles of food made public today by the Department of Labor.

Greatest decreases were in prices of sugar, 24 percent; and potatoes, fifteen percent. The price of eggs increased 14 percent.

The average family expenditure for 22 articles of food decreased in all the 51 cities from which monthly prices were tabulated except Houston, Texas, where there was an increase of one-half of one percent. The decrease noted in Columbus, Ohio, was four percent.

National Farmers Union Urges 800,000 Farmers to Hold Grain, Cotton, Wool, Stock

Claim Deflated Prices Takes Billion Dollars From The Farmers

Retaliatory Action is Said Not To Be Binding on Membership.

(By Associated Press)

Kansas City, November 18.—A nation-wide producers' strike to combat the falling prices of farm products was urged in a call sent out today by the National Farmers' Union to its local unions throughout the country, numbering a membership of 800,000 and composed of producers of grain, cotton, wool and live stock.

The proposed strike was urged in retaliation for what the convention considered abnormal deflation in prices of farm products, through which it was asserted "American farmers have been robbed of one billion dollars in reduced value of products now on hands."

All farmers were urged to hold this year's production from the market until "profiteering levels" were restored. Officials of the organization pointed out members were not under obligations to obey the terms of the strike, but expressed the belief such a movement would be effective.

## FRAME FALLS TWO KILLED MANY INJURED

(By Associated Press)

Indianapolis, November 18.—Fifty workmen engaged in erecting the steel frame of a three story building at the Manual Training High School here were buried beneath a mass of steel when the frame collapsed today while they were at work.

Two persons are known to have been killed and 30 injured.

## JAMAICA GINGER SALES FORBIDDEN BY GOVERNMENT

Internal Revenue Bureau Rules Prohibition Affects Sale

(By Associated Press)  
Washington, November 18.—Jamaica ginger came under the prohibition ban today.

Orders issued by Commissioner Williams of the Internal Revenue Bureau effective in ninety days, classes tincture of ginger, whether sold as Jamaica ginger, extract of ginger, or by whatever other name known, as an alcoholic preparation fit for use for beverage purposes and subject to prohibition regulation.

## THREE NEGROES KILLED BY MOB

Two Men and One Woman Are Taken From Sheriff and Shot To Death

Georgia Community Scene of Lynch Law Due to Murder

(By Associated Press)

Douglas, Ga., November 18.—Two negro men and a negro woman, accused of implication in the killing of Pearly Harper, a young planter of this county, were shot early today by a mob of more than 150 men who overpowered Sheriff Tanner and two deputies who were attempting to get the negroes to Fitzgerald for safe keeping.

An attempt had been made last night to storm the jail where the negroes, Will Perry, Willie Ivory and Minnie Ivory, his wife, were held, but the crowd dispersed after listening to an appeal by Sheriff Tanner to allow the law to take its course.

Early today the sheriff decided to transfer the prisoners to Fitzgerald and started in an automobile. A mob was immediately organized and set out in pursuit.

Overtaking the sheriff seven miles from Douglas the mob according to the officer, demanded the negroes be turned over to them and upon his compliance lined them up and shot them.

A coroner's jury impaneled shortly after the shooting returned a verdict the negroes met their death at the hands of unidentified persons.

## PRICES DECLINE EXCEPT THOSE ON FURNISHINGS

Clothing Drops Eighteen Per Cent, Farm Products Twenty-One.

House Furnishings Alone Remain Unchanged

(By Associated Press)  
Washington, November 18.—Price studies given out by the Department of Labor show marked declines in October in practically all items entering into the cost of living except house furnishings.

Clothing it was said, has dropped eighteen percent below figures compiled to represent 1913 costs and farm products twenty-one percent.

## ENGLAND READY TO OPEN TRADE WITH RUSSIA

(By Associated Press)  
London, November 18.—Premier Lloyd George stated in the House of Commons today that the cabinet had decided that a draft of an agreement to carry out the July arrangement for trade with Russia should be prepared and he hoped it would be ready for submission to the Russian government in a few days.

D'ANNUNZIO DEFIES ADRIATIC TREATY, SEIZES NEW TERRITORY

The photograph shows Gabriele D'Annunzio with a group of his insurgents. Arrow points to D'Annunzio. Soldiers of Gabriele D'Annunzio, commander of the Italian insurgent forces at Fiume, have taken possession of the coast and all localities of the district of Mount Libani, east of Fiume, according to latest dispatches from Rome. His troops have occupied all localities of the district of Castua without struggle. They have also seized the islands of Arbe and Vegalia and will march on Spalato.

## HARDING WILL NOT MAKE STOP AT MEXICAN PORT

Would Disarrange Schedule Of Vessel On Which He Travels

Sail Late Thursday for Cristobal Panama

(By Associated Press)  
New Orleans, November 18.—President-elect Harding will not stop at a Mexican port on his voyage to the Canal Zone as he had been urged to do by Mexican officials.

No official announcement on the subject was made by Mr. Harding or those who arrived here today with him to take ship for Cristobal, but it is understood he found it impossible to arrange for a call at any point on the Mexican coast without seriously disrupting the schedule of the shipping company.

The President-elect and party will sail late today on the United Fruit steamer Paraismina.

## PASS DIVIDEND GIVE REASONS

(By Associated Press)  
New York, November 18.—The American International Corporation engaged through its subsidiaries in foreign trade and commerce today passed its regular quarterly dividend on the common stock which since December 1919 has been at the rate of \$6 per share annually.

Reasons assigned were "exceptional circumstances and requirements at this time."

## NOTABLES WILL STAY AT SALEM TO RENDER AID

State Board of Health at Last Gets Busy in Great Epidemic

(By Associated Press)  
Columbus, O., November 18.—Dr. Henry A. Christian, professor of medicine at Harvard University and Dr. Chas. F. Hoover, professor of medicine at Western Reserve University, Cleveland, will act as medical consultants at Salem during the typhoid fever epidemic it was announced today by Dr. A. Freeman, State Health Commissioner.

This is the first use of an appropriation of \$5,000 ordered by the state emergency board to help combat the disease in Salem.

## LEADERS PLANNED DISEASE SPREAD

Typhoid Fever and Glanders Epidemic Fostered by Irish Republicans

Such is Accusation of Chief Secretary For Ireland In House of Commons.

(By Associated Press)

London, November 18.—Herr Hamar Greenwood, chief secretary for Ireland stated in the House of Commons today that during a recent raid in Ireland troops captured a document sent by the commander-in-chief of the Irish Republican Army to his chief of staff containing a series of remarkable and horrifying statements regarding the spreading of typhoid among the troops and glanders among the cavalry horses.

Regarding the spreading of glanders the general methods to be adopted were related and the conclusion formed was the best method was by "doctoring" their oats. This method was described in detail, it being added any doctor would explain how to grow the microbes.

The document concluded: "Give my regards to all. I hope your success will continue. God bless you all."

## USE OF ARMS NOT JUSTIFIED

(By Associated Press)  
Washington, November 18.—"Only the direst necessity can justify a resort to arms for the adjustment of disputes in Ireland," Frederick C. Howe, chairman of the commission from the committee of 100 investigating the Irish question, declared today at the opening of the commission's hearing.

He added the conditions in Ireland "have created and are creating a widening rift in the friendly relations of English speaking people not only in America but all over the world."

## "CRANK" GUILTY OF MURDERING KIDNAPED BABE

Life Imprisonment is Maximum Carried by Conviction

Body of Blakely Coughlin Has Never Been Found

(By Associated Press)  
Philadelphia, November 18.—Life imprisonment is the maximum penalty that can be imposed upon August Pascal, the "crank" self-confessed abductor and slayer of thirteen-month-old Blakely Coughlin, who yesterday pleaded guilty to second degree murder and kidnapping for extortion.

The commonwealth accepted the plea of second degree murder, which carries a penalty of twenty years imprisonment, because of its inability to produce the body of the child or a witness who had seen the body.

Under a Pennsylvania law, this is necessary in order to obtain a conviction of murder in the first degree.

## STOCKS TAKE ANOTHER TURN INTEREST LOW

(By Associated Press)  
New York, November 18.—The stock market was subjected to further drastic liquidations today.

New low records were made in the first two hours by various favorite issues comprising the shipping, steel, equipment and oil groups.

Traders and the public paid no attention to the easier rates for call money which opened at the unusually low rate of seven percent.

## GREEKS RESIGN COMMISSIONS

(By Associated Press)  
Washington, November 18.—M. Tsimas, minister resident and counselor, and Kimon Colles, first secretary of the Greek Legation here announced today they had submitted their resignations as a result of the Greek elections in which the Venizelos government was defeated. They will depart for Greece by way of France at an early date.

## TWO INDICTED IN NEW YORK

(By Associated Press)  
New York, November 18.—The new indictments charging crime as a result of the investigation of the "building trust" here were returned by the grand jury today. The names of those indicted or offenses charged were not made public.

## FATHER SHOT AND KILLED BY SON

"I Had Big Reason" Is Only Explanation Made by Son Now Held at Newark, Ohio

Former Probate Judge Walter Irvine is Victim—Wife Had Left Him.

(By Associated Press)

Newark, O., November 18.—"I had a reason and it was a big reason," declared Angus Irvine, 24, in his cell in the city prison here this morning where he is held pending the filing of charges for the killing of his father, former Probate Judge Walter A. Irvine.

The tragedy occurred at the Irvine farm home east of Newark early Tuesday evening but did not become known until 24 hours later.

"He was the meanest father a man could have. He treated us all like a slave, driver would treat us," the son concluded.

Young Irvine returned to Newark last night after driving in a taxi-cab to Columbus to tell his mother of the tragedy. Mrs. Irvine left home three weeks ago and a divorce petition was being prepared by a Newark attorney.

Angus and a younger sister and two younger brothers spent the night in the home with the body of their father lying on the floor where it fell after a single shot was fired from a shotgun. Angus assisted the younger children to bed and also helped them dress in the morning after the tragedy.

All the younger children agree no quarrel preceded the shooting. Sarah Irvine, 13, told Sheriff Bryan that before the shooting Angus had told the children he was going to kill their father. Judge Irvine had been to town and as he entered the house upon his return Angus fired one shot from a shotgun and his father fell forward dying almost instantly.

Juvenile court officials had visited the home a few days ago to arrange for removal of the children to other quarters. The county Humane Society also had warned Judge Irvine he must provide shelter for his live stock or prosecutions would follow.

Judge Irvine was a graduate of Denison University, a lawyer, a Major in the Ohio National Guard 15 years ago, a Captain in the volunteer Spanish-American war and a Lieutenant in the recent world war.

## WAGE INCREASE FOR BUILDERS TURNED DOWN

Building Trades Demanded \$1 Per Day Increase

(By Associated Press)  
New York, November 18.—Demands for an increase of one dollar a day presented by the Building Trades Council has been refused by the Building Trades Employers' Association. It was announced today. The present wage scale of the men is \$10 a day for bricklayers, \$9.50 for plasterers and \$9 for members of inside trades.

## EGGS SELL HERE AT THE HIGHEST PRICE EVER PAID

Eggs, the common hen variety, sold in this city Wednesday at the highest price ever commanded by the article of food.

Some local stores were paying 78 cents and retailing them at 87 cents. Other stores were getting 88 while there was a slight deviation in price in outlying groceries.

Grocers were unanimous in saying that it was the highest price ever paid for eggs in their experience.

All grocers predicted that the price will go higher and that dollar a dozen will probably be reached before the market ascension is halted.

An unprecedented shortage of

eggs is the reason for the abnormal price. Not many eggs are being placed on the market and the demand is little more than the supply.

## TEAM HANDICAPPED BY THE BIG SNOW

Washington High's football team was severely handicapped in practice by the heavy snowfall but Tuesday and Wednesday were not entirely lost.

Coach Moorehead had his men out at East End field at the usual time and the squad trotted up and down the lot in signal practice.

To fill the vacancies of the three regular players who are out because of injuries, the team has comparatively new men in their places and to get the new combination working smoothly by Saturday a hard workout has been indulged in each evening.

Nelson, who played well last Friday at Circleville will probably be used again at right end. To fill Lamb's shoes Captain Rogers will again take right half and Ollie Miller will ascend to the quarter position. Deere will take the left half while Deen will be at full as usual. This will be the same backfield lineup that was used in the beginning of the season. Rogers will continue to call signals.

## UNDER ARREST FOR THE THEFT OF AUTO PARTS

Dayton Man Arrested For Stealing Equipment From Moxley Wrecked Car.

Local Man Obtained Tag Numbers When Suspensions Were Aroused.

The thoughtfulness of Robert Lanum, local garage man, in taking the number of a machine which was carrying a suspicious character, last Saturday night, has resulted in the arrest in Dayton of Roy Cole, who is being brought back to Washington to face charges of grand larceny being prepared.

Following the wreck of the George Lawrence Moxley machine on the Circleville pike Saturday night, which subsequently resulted in the death of young Moxley, a number of local citizens visited the scene. Robert Lanum was among those who drove to the scene, and he beheld a man acting suspiciously about the wrecked car. Driving up Lanum asked what he was doing, and the fellow stated that he was merely guarding the car to prevent theft. Not satisfied with this statement Lanum took precaution to obtain the number of the fellow's machine. Later Lanum again visited the scene to ascertain what had become of the man, and discovered that not only had the battery of the car been stolen, but the cushions, horn and a tire or two were missing.

He immediately reported the theft to Sheriff Hall and gave him the number of the fellow's car who had been stopping at the scene and who claimed to be guarding the wrecked machine.

After some delay on the part of the Dayton authorities, after it had been ascertained the license number belonged to Roy Cole, Webster street, Dayton, Sheriff Hall Wednesday night was informed that Cole was under arrest and that property answering the description of that stolen was found in his possession.

Sheriff Hall Thursday morning sent Deputy Sheriff Nelson to bring Cole to this city to face charges growing out of the theft of the car equipment.

## HAD TO HOLD TO SIDE OF BED UPON RISING EVERY MORNING

Back hurt so bad couldn't straighten up till he had walked round a while. Kidneys cause the trouble, but Drecto set them right.

"Many a morning I've had to hold on to the side of the bed in order to get up, then walk round for a while before I could straighten up," said Mr. Albert Logan, a farmer living near Athens, Ohio.

"For five years I've been in miserable health. My kidneys were weak and I'd be up five and six times during the night from them. I had terrible pains in my back. My liver was lazy, and I'd get so dizzy sometimes I'd have to stop a few minutes till it passed off. My stomach was also out of order and often swelled up like an army balloon from the gas in it. I was constipated and so nervous I couldn't sleep much.

"Things are different now, though, for I jump right out of bed into my clothes, and ready for a big breakfast. Don't have to get up during the night a single time; bowels acting regularly no more dizzy spells, and I sleep like a log. All this change was brought on by taking Drecto, and I think it the greatest medicine I ever saw.

All druggists now sell Drecto and it is being especially introduced in Washington, C. H. by Frank Christopher.—Advt.

## Another War-Time Hero Falls

The elections in Greece, according to latest reports, seem to have resulted in a crushing defeat of Premier Venizelos. Rioting and disorder among the people and the resignation of the Greek cabinet and some reports are to the effect that the defeated premier will quit the country.

France denied the presidency of the republic to Clemenceau, the "tiger" of the great war who saved France from disastrous defeat. Italy's war leaders have been retired and President Wilson's policies have been overwhelmingly repudiated by the American people in the general elections. Lloyd George alone, Great Britain's premier whose tenure of office is the most delicate and the most easily broken of any one of the great war leaders, survives the coming of the peace regime, still the pilot of the British Empire. His turn for retirement may come any day with the confusion and disorder raging throughout Great Britain with conditions in Ireland and India the cause of grave concern.

There is a mystery in the reversal of public opinion which is too difficult for the human mind to explain. It rather evidences the operations of a power which deals with the destinies of nations of peoples and of humanity rather than with individuals. The reason, if any there is, which can be grasped by the human mind is that the controlling power looks on through the centuries to come.

There is to us something tragic in the apparent repudiation of these leaders, one after another, as they go down before the decree of retirement issued by the people.

## "Criminal" List Growing

The coming of nation-wide prohibition has resulted in wholly depopulating our workhouses and in markedly reducing the number of people committed to our asylums and penal institutions. There is no doubt about that. Statistics undeniably establish the existence of those conditions.

Strange as it may seem, however, on first knowledge of the fact, and it is a fact, the number of crimes committed has increased tremendously. The "criminal class" if we may call those who violate some one or more of the scores of new laws and regulations by that name, has grown remarkable during the last few months in spite of all our boasted progress and reforms.

It is encouraging to note, however, as we see the big totals of criminal offenses recorded and are made aware, for the first time, that the number of criminals is increasing rapidly, that the crimes are not those which lawyers classify as *malum in se* but are properly classified in the lists as *malum prohibitum*.

## Proper Spirit Returning

One of the most hopeful indications of returning sanity in business circles—a return to normal if you please—is the manner with which manufacturers, jobbers, retailers and people in all lines of business, greet the buying public.

Now days, when people with money to spend seek the market they are greeted with some respect and given some consideration. For months the people with money to spend were received and treated, in most business establishments, in the larger cities, much as nuisances whose room was preferable to their presence. In the rural districts there were many instances where business places did not forget the courtesy due the public even in rush times.

There is a return of the respect for the buying public which has been the base of the success of American business, there is an earnest desire to please, manifested on all sides and in all places where business is conducted, there is an earnest desire everywhere, save in a few isolated cases, also to exchange real value for the dollars which people are offering to spend.

The spirit of "shove your money under the door and we'll take it if you will hurry up and get out of our way" seems to be disappearing—in fact it is about all gone now. The departure of that don't-care spirit from business and the coming, in its stead, of that consideration for others, upon which all sound business must be builded, is the most promising development of the time and the best proof that American business is recovering.

## POETRY FOR TODAY

### POINTS OF VIEW

Last summer when the mercury  
Stood "ninety in the shade,"  
And when, indeed, the hundred mark  
Quite frequently it made.

I sat around and fumed and sweat,  
And I longed for zero days;  
I swore I never more would get  
The winter travel craze!

I made the ice-cream vendor rich,  
The bath house lived on me;  
I cried, "The coldest of cold snaps  
A real God-send would be!"

The winter day are drawing near,  
The world is white with snow,  
The mercury is going down,  
And still will downward go.

I never in my life have felt  
So grouchy or so glum,  
The price of coal is out of sight!  
The gas is on the bum.

I'm going down to Dixie Land  
This evening by express;  
And am I happy over that?  
Well, now, I just guess Yes!  
Lida Keck Wigkins, in Springfield  
Sun.

## RANDOM NOTES

### SOCIAL : PERSONAL MENTION : CLUBS

Mrs. Fred B. Creamer charmingly entertained the Thursday Bridge luncheon club at a luncheon of lovely appointments and decoration.

An elaborate menu was served.

Honoring their guests, Mr. and Mrs. Frank Hidy, of Crystal City, Texas, Mr. and Mrs. Guy Carr handsomely entertained with a progressive "500" party Wednesday evening.

The hospitality extended was on an elaborate scale and provided an evening of stimulating pleasure. Chrysanthemums in varied colors and ferns were artistically used in decoration and the Jeffersonville Orchestra furnished music.

The game progressed merrily with five tables of players until brought to a close by the serving of most appetizing luncheon.

Helen Louise Jackson celebrated her tenth birthday Wednesday evening with a six o'clock dinner at which

## FRESH PORK

seventeen of her young playmates were delighted guests.

Mrs. Frank S. Jackson assisted the bright young hostess and the dinner was marked by features of special interest to the anniversary and courses of the delicacies children best like.

The table made a pretty picture, with a huge birthday cake, blazing with ten red candles and its twinkling light reflected in the table mirror which formed the base.

After the dinner Mr. Jackson chaperoned the girls to a picture show, which wound up the affair to the entire satisfaction of the guests.

Over half a hundred women assembled at the home of Mrs. George Jackson on Wednesday afternoon for the annual November Thank offering of the Woman's Missionary Society of the First Presbyterian Church.

It was one of the most delightful meetings of the year, the large home, with immense white and yellow chrysanthemums used in decoration, radiating hospitality and the generous Thank offering, twice the usual amount, most gratifying.

The afternoon's hostesses with Mrs. Jackson were Mesdames Frank S. Jackson, Charles A. Reid, Elmer Klevor, J. F. Dennis, Bella L. Ustick, Mary Patton, W. O. Dehart, Oscar McLeelan, C. H. Griffin, Corey, Henry Robinson, W. W. Barnes, Ray Moots, W. H. Lipsett, D. O. Beath.

Following the opening devotionals and usual business, conducted by

Mrs. Austin F. Hopkins, President, Mrs. Elmer Noble, leader, presented the program, the month's subjects, "Mountaineers" and "Siam".

"New Roads in the Mountains" was the subject of a splendidly prepared paper by Mrs. Harriet F. Woodward, presenting the mountain people as a fine type if they were educated and trained. A well posted writer has said "They have been waiting in the hills until civilization needed them."

Industries in the cities have drawn many from the country and these mountaineers greatly need education. Their customs do not fit in with the new life. They must be convinced that they will be helped by added knowledge and teachers and schools can do a big work for them. The religious census shows that many are enrolled as members of Southern churches.

A Ballad Society has been organized to aid in the preservation of old ballads, which will be lost with the passing generation unless they are collected and put on record.

Mrs. Woodward closed her paper by reading a story of a mountain girl who wanted an education and a poem.

Miss Edna Hamlin had expected to present "Missions in Siam" but was prevented from attending and Mrs. Frank S. Jackson substituted interesting subject matter.

Siam presents a wonderful field for the work of missions. The chief work is being done through the Harriet M. House School established at Bangkok in 1875. For twenty-five years this school has not asked for help but is now anxious for substantial assistance to conduct larger education upon a larger scale.

Mary Alice Davis gave "A Thanksgiving Story" very nicely.

The afternoon closed in a much enjoyed social hour during which the hostesses served a dainty repast.

An informal program, and the serving of delicious refreshments were included in the entertainment at the quarterly social session of the Ladies Aid Society of the Church of Christ, Wednesday afternoon at the home of Mrs. Calverna Williams on North North street.

Mrs. L. A. Mark president conducted the business session and Mrs. Clara Mershon vice president the devotionals, after which the hostesses presented a pleasing program.

The State Convention of the W. C. T. U. held in Cleveland recently, was the subject of Wednesday afternoon's meeting of the Good Hope W. C. T. U. at the home of Mrs. John York in Good Hope.

Mrs. York, Mrs. Ralph Braden and Mrs. Hugh Smith, who attended the convention gave splendid reports, and offered helpful suggestions for the year's work of the Union.

Mrs. York served tempting refreshments after the program.

Mr. and Mrs. Ira O'Brian daughter Miss Bernice and son George moved Wednesday from Market street into the property corner Fourth and North streets.

Miss Myrtle McCoy underwent a throat operation at the Fayette Hospital Thursday.

Dr. H. L. Stitt returned Wednesday evening from Cincinnati, reporting Mrs. R. D. McClure's condition slightly improved, but still too serious to admit of operating.

Miss Grace McHenry is the guest of Mrs. Samuel Hoskins in Columbus.

Mr. and Mrs. Frank Hidy of Crystal City, Texas are guests of Mr. and Mrs. Guy Carr in Jeffersonville.

Miss Lucille Wood is a member of the corps of nurses, assisting in the typhoid fever epidemic at Salem, O.

Mrs. Ruth Monney Worrell, of Cincinnati, author of the pageant, "Red Cross in Peace Times" to be put on at the High School Auditorium Friday night, arrived Thursday to take the leading part and personally direct it. She is at the Cherry Hotel.

Mrs. W. P. Barnes is at Mt. Carmel Hospital Columbus, under the care of her son, Dr. Robert Barnes, to have an X-ray picture taken of the knee in

jured in a recent fall and for treatment. Her daughter, Mrs. George Rea, of Hillsboro and Mr. Rea are with her. Washington friends will be interested in learning that Miss Lucille Henderson, who has been engaged as a teacher in Mexico, under the auspices of the Methodist Centenary, has arrived at the home of her parents in Wilmington.

Miss Lena Shafer was up from Frankfort spending Tuesday at her home in this city.

Mr. and Mrs. J. S. Talley, who have been visiting their daughter, Mrs. Joseph I. Taggart and family for several weeks, were called to Delaware, Thursday by the serious illness of Mr. Talley's sister.

## WINNER OF HONOR TWELVE YEARS OLD

Ruth Campbell, who won the honor of representing Fayette county at the Ohio Thirti Congress, Friday, December 3rd, as a reward for selling the greatest number of War Saving Stamps, is the twelve year old daughter of Mr. and Mrs. Clarence L. Campbell, of the Lewis Pike.

She is a student in the Eber School and was appointed by District Superintendent A. E. Henkle to represent her district. She personally canvassed her territory and won the coveted honor.

All the schools of the county were entered in the contest.

## OLD APPELATION NO LONGER USED

Years ago residents of this part of Ohio were known as "swampites" the term being derived from the fact that a great part of the country at that time was not well drained and swamps of great proportions were innumerable and many of the roads were decidedly "swampy" for lack of proper macadam.

In recent years the term has vanished and is heard no more, due to the fact that swamp land has largely been drained until the present time few of the low, water laden tracts of land are to be found.

Thousands of miles of drain tile have worked wonders in Fayette county, and once where water stood year around, now great crops of grain and hay are produced as result of the magic transformation wrought by properly draining the water from the highly fertile land, and making it tillable.

At the present time the residents of Fayette and adjoining flat counties are no longer looked upon as "swampites" because of innumerable swamps, but are the envy of those who live in less favored communities.

Lockjaw as a punishment for people who listen at keyholes would be the proper thing.

The local club has accepted and will do all in its power to give aid in getting the movement underway.

## MEMBERS SECURE FIRST AUTO TAGS

Plates For 1921 Are Medium Green With White Numerals And Pleasing In Appearance.

Auto owners are not going to wait until the last minute to get their 1921 licenses.

This was shown Wednesday when, the first day after a shipment of the new tags had arrived at the Fayette County Automobile Club offices, 26 sets of shiny new plates were issued.

The licenses formed special shipment to "members only" and the general distribution will begin on the Monday after Christmas.

A pleasing combination is offered in the new plates. They are a medium shade of green with white numerals. The numbers stand out prominently are very easily read.

## WHEN THE SCHOOLS WILL CLOSE DOORS FOR THE HOLIDAYS

Following action taken by the Board of Education of this city it is announced that the schools will close for the Christmas holidays on Thursday evening, December 23rd, and that they will reopen on Monday, January 3rd.

The plan to close on Thursday was made in order to allow teachers and pupils who do not live here ample time to reach their homes.

Schools here will close for Thanksgiving Day on Wednesday evening, the 24th, and will resume the following Monday.

Following action taken by the Boards of Education of the rural schools in session sometime ago when a county school calendar was approved, Thanks giving Day alone will be observed. This is subject to change by the local Boards if they desire but it is understood that they will make no alternation in the calendar.

At the same meeting it was placed in the school calendar that the village and consolidated schools will close for the Christmas holidays on December 24th and that they will reopen on Monday, January 3rd.

## 25 PER CENT. FAYETTE WHEAT CROP ON FARM

Twenty-five percent of the Fayette County wheat crop remains on the farm, according to a local grain dealer who says that the amount held at this period of the year is unusually high.

Sudden drop in price before farmers had an opportunity to market their wheat is believed responsible for the large amount of wheat held in granaries for higher prices.

At the present time there is little or no wheat being marketed, although indications are that within the next few weeks part of wheat being held will probably be sold.

The visible wheat supply stored in leading grain centers is probably the smallest in recent years, and unless the wheat being held all over the country is marketed with in a short time the public storage wheat will have become exhausted.

## TRIANGLES ARRANGE BASKETBALL SEASON

Cedarville College will open the Y. M. C. A. basket ball season on the local floor with the Triangles on the evening of December 8th.

Under the direction of Physicar Director Kliester, the squad is fast rounding into shape and will be able to put up a good game when the initial contest opens.

Nine men veterans of last year's team compose the squad and several high school players are working with them to get in condition.

The choice of captain will be made Thursday night when all the players and the team officials will hold a session following practice.

## ENLARGE THE STAGE FOR PEACE PAGEANT

To accommodate the settings and to provide room for the participants who take part in the Pageant of Peace, the stage in the high school auditorium is being enlarged under the direction of Sherrill Clark, of the Frank L. Stutson Company. Mr. Clark also has charge of the decorations and is devoting his best energies to the production of the play.

The Pageant is being given under the auspices of the Fayette Red Cross Chapter and will be free to the public.

Friday evening is the date and it will start at eight o'clock. It is expected that a capacity audience will attend.

## GREENFIELD MAYOR OUSTS PUNCH BOARD

The punch board, which has not been allowed in this city for some time, has been ordered out of Greenfield, and all persons found operating the punch boards after December 1st will be prosecuted according to announcement by Mayor Knedler.

The punch board nuisance in Greenfield has reached proportions which arouse considerable protest, and the order of the mayor follows repeated requests to abolish the form of gambling.

## Facts for Sick Women

### Reliable Information

All American women know of the great success of Lydia E. Pinkham's Vegetable Compound in restoring to health women who suffered from ailments peculiar to their sex, yet there are some who are skeptical and do not realize that all that is claimed for it is absolutely true—if they did, our laboratory would not be half large enough to supply the demand, though today it is the largest in the country used for the manufacture of one particular medicine.

The Facts contained in the following two letters should prove of benefit to many women:

Buffalo, N. Y.—"I suffered with organic inflammation and displacement. When lifting I had such pain and bearing down that I was not able to stand up, and it hurt me to walk or go up or down stairs. I was going to a doctor without any results and he said the safest thing would be to have an operation. I met a lady who told me she had three operations and was not well until she took Lydia E. Pinkham's Vegetable Compound. I felt relief after taking two bottles of Vegetable Compound and I kept on with it until I was cured. I always use Lydia E. Pinkham's Liver Pills and they are fine. Everything used to turn sour on my stomach and the Liver Pills relieved that."—Mrs. A. ROGERS, 593 Fargo Avenue, Buffalo, N. Y.

Sacramento, Calif.—"I had organic trouble and had such terrible pain and swelling in the lower part of my side that I could not stand on my feet or even let the bed clothes touch my side. I gave up my work thinking I would not be able to go back for months. My mother advised me to take Lydia E. Pinkham's Vegetable Compound as it had saved her life at one time, and it put me in a wonderful condition in a couple of weeks, so I can keep on working. I work in a department store and have to stand on my feet all day and I do not have any more pains. I surely recommend your Vegetable Compound to all my friends and you may use these facts as a testimonial."—BERTHA J. PARKER, 3320 21 St. Sacramento, Calif.

## KATZ LEASES BIG BUILDING AT COLUMBUS

Former Local Citizen Takes  
Over High Street Block  
Formerly Occupied by the  
Busy Bee.

(By Associated Press)  
Columbus, Ohio, November 18.—Negotiation of a 99-year lease on the property at 43-45 N. High St., for 38 years occupied by the Busy Bee, to Leo Katz, who recently purchased the Bryce Brothers Co., clothiers and men's furnishings has been announced by the Goodman-Hague Co., realtors, who represented Geier & Wilson, lessors of the building, owned by one of the Chittenden estates, in the deal.

The four-story and basement brick and stone building, with a frontage of 21½ feet in High St., extending through to Wall Street, will be remodeled to make it one of the finest clothing stores in the state, Katz said.

Consideration in the deal was not made public but the lease is said to call for an annual rental based on a valuation of more than \$10,000 a front foot. According to the Goodman-Hague Co., this transfer, together with that of three buildings in S. High St., announced yesterday, forecast a revival of activity in downtown real estate.

Katz, who has been a resident of Columbus for six years, operates a chain of clothing stores, having establishments at Washington C. H., Chillicothe, Circleville, Xenia and Wilmington, in addition to the Bryce Brothers store. He purchased the latter at the death of the late Alexander Bryce, and declares he has been greatly pleased with his experiences in business in Columbus thus far. With the new lease, and the one he now holds on the present Bryce location his properties here aggregate more than \$1,000,000 value, Katz said.

## TRACTOR IS USED TO CLEAR STREETS

S. E. Shultz Used Tractor To Clear  
the Way for Traffic On Main Streets

The half foot of snow which covered the streets of this city was cleared off for traffic in the main section Wednesday afternoon by S. E. Shultz using a demonstrating tractor and a heavy triangle plow.

Mr. Shultz donated his services and in a short time cleared a wide space for traffic on all the downtown streets in a most satisfactory manner.

The younger a man is the more he has to unlearn.

# "Gets-It" Wonder Corn Peeler

Just as Good for Calluses. Money Back if it Fails.

Don't be harassed through life by a pesky corn or callus. Don't let a corn tell you when to sit down. Don't wear shoes too large for you because a corn says you must. Get rid of the darned thing.

"Peel the Whole Corn Right Off and be Rid of it!"  
 It's a revelation to corn sufferers, the wonderful way that "Gets-It" banishes corns. Spend two minutes—that's all—to apply 2 or 3 drops to any corn or callus. The pain will stop instantly. In a few seconds the corn dries right up. Soon it has loosened so you can peel it off in one complete piece, root and all. "Gets-It" is sold by all druggists; money back on request, costs but a trifle. Mfd. by E. Lawrence & Co., Chicago.

Sold in Washington C. H. and recommended as the world's best remedy. Brown's Drug Store.

## BAD BREATH

Dr. Edwards' Olive Tablets Get at the Cause and Remove It

Dr. Edwards' Olive Tablets, the substitute for calomel, act gently on the bowels and positively do the work. People afflicted with bad breath find quick relief through taking them.

Dr. Edwards' Olive Tablets are a vegetable compound, combined with olive oil. They act gently but positively on the bowels and liver, stimulating them to natural action, clearing the blood and purifying the entire system. They do that which calomel does without any of the bad after effects. Take one or two every night for a week and note the pleasing effect. 15c and 30c a box

# LODGES AND SOCIAL ORGANIZATIONS ARE IN BIG ENROLLMENT

Chapter Looks Forward To Heavy Enrollment Among Fraternal Organizations

C. N. Baer is the man appointed by the Enrollment committee of the Fayette Red Cross Chapter to negotiate the Fourth Roll Call among the social and fraternal organizations of this city and county.

Mr. Baer is working through the executive committees of the orders and organization which are endorsing the Roll Call and then asking their membership bodies to enroll.

It is hoped by the Fayette Chapter that the enrollment among the lodges and similar organizations will be of as high a percentage as any of the divisions under which the Roll Call is being conducted. The work of these organizations in all other worthy efforts has been of leading importance and the leaders of the Red Cross enrollment feel safe that the goal will be reached.

# ORTMAN CO. INSTALLS A VALUABLE MACHINE

The Ortman Motor Company has added to its equipment a Kriesel Multi-Purpose machine, which is now in operation under the direction of a competent mechanic. The machine was purchased for \$1,700 and its addition makes the Ortman shop one of the most complete in the state.

This machine, the model generally used in automobile factories and in the larger automobile machine shops, is, as the name indicates, a many purpose machine, whose capacity includes re boring of cylinders, squaring shafts, gear cutting drilling, milling, boring, splicing, etc.

It is possible with this machine to make or remake a motor block. The Ortman Company to date has installed close to \$20,000 worth of automobile machinery.

## Stick To It

"He that can have patience can have what he will," said Benjamin Franklin.

This applies very aptly to the important matter of building up a reserve fund.

If you try to "get rich quick" you stand a good chance to lose everything.

It takes patience to build up a satisfactory reserve fund, but you can do it by consistently putting your money in safe investments with moderate income yields.

Today you can get safe investments that yield up to 5% and better.

Begin systematic investment now and STICK TO IT.
